Hollywood Show Promotion Big Success

Thanks to everyone who stopped by our booth this year in Hollywood. This years show was a big success. A special thanks to those members who placed their "Buy & Drive" order at the show, and received their flat screen T.V.'s, ipods, and cameras. We hope that the success to follow in the coming year will bring bigger and better prizes at next year's event. See Y'all next year in our home state and good ol' San Anton'!!
