KODAK Remanufactured Ink & Toner Cartridges

Boston, UK – October, 2020 - DCI Ltd announces a strategic agreement with TST Impreso, Texas, for the distribution of KODAK Remanufactured Ink & Toner cartridges for the US market.

DCI Ltd, Europe's leading Remanufacturer was awarded the license for producing remanufactured ink and toner cartridges under the KODAK brand in 2016 with the product range covering consumables for use in HP, Canon, Brother, Epson and Samsung printers. Phil Sneath, Head of Business Development at DCI explains; *'Having grown our distribution base across Europe and the Middle East, we are excited to partner with TST for the US market. TST's distribution hubs, coupled with their wide customer base and expertise make them the perfect distribution partner'*

TST Impreso, established in 1976, has a long history of supplying printer consumables and recently announced a partnership with Paper Trade Network (PTN) to distribute KODAK branded consumer photo inkjet and specialty media. TST markets its products to approximately 3,000 customers through its own sales force and established manufacturers' representatives.
