Packing on the LBS one roll at a time!

The obesity epidemic is a worldwide phenomenon, and TST has been packing on the pounds more rapidly than any other manufacturer. Since gaining a variety of 24# engineering rolls in our 5 plants, we are in desperate need of some lean mean distributors to help work this inventory off.

- #36510 â€“ 24# - 36â€•x500â€™ Engineering Bond
- #30510 â€“ 24# - 30â€•x500â€™ Engineering Bond
- #24510 â€“ 24# - 24â€•x500â€™ Engineering Bond

Contact your local TST salesperson, visit our [1] or call Customer Service today for pricing and availability on the above items. Oh, and donâ€™t forget to burn off those heavy rolls with some OEM toner. We stock a complete line of OEM toners for both Oce and Kip engineering copiers.
