Wide Format Inkjet Media

[1]

Alliance brand Wide Format Ink Jet Media goes through a rigorous inspection and approval process which meet or exceeds OEM specifications. Each roll is lint free and protectively sealed for long term storage. The use of high quality paper and material produces crisp, vivid images that are easily readable and longer lasting. There is never any smearing or smudging of ink. Our top quality Ink Jet Media unrolls straight and even for a quality print the first time.

Alliance photobase rolls have exceptional base stock that produces excellent print results. A top "color receiver layer" and a special polyethylene resin coating absorbs the ink producing high quality, photorealistic results. Rolls are produced on a recycled 2" core. Engineered to be compatible with all wide format ink jet printers. Quality is 100% guaranteed.
