Papers

What you say is important, but how you say it is critical, which makes your selection of paper that much more crucial. Will this paper help you land your dream job? Get you into your first-choice college? Present a life-changing innovation? Will it be the beginning of the next chapter of your life? When what comes out of your printer has unlimited potential, it's worth paying attention to what paper you put into it. This paper is a platform for your best self — your next self. HP Papers are engineered for what's next.™

hp Papers

Don't
just
print **Be**
committed

HP Papers is committed to quality in every aspect. From sustainable production and flawless performance, to the richest colors that leave a lasting impression, we make paper to take your work to the next level, so that you're always putting your best foot forward.

BE RADIANT. BE BOLD. BE YOU.

Like you, we're at our best when we can express our full spectrum of creativity, efficiency, and next level innovation.

From the brightest whites to colors that pop and never fade, this is paper built to make a splash. Just like you.

Don't
just
print **Be**

24 lb.90g/m² **100** Brightness **165** Whiteness

Uncompromising clarity. Formulated to make colors pop and your work noticed.
• Engineered for flyers, newsletters, reports, sales material, and correspondence
• Medium weight, smooth feel, and the highest brightness makes this paper optimal for some
  color and heavy black-and-white printing

Product Code	Sheet Size	Sheets/Ream	Reams/Carton	
203000	8.5"x11"	500	5	

ColorLok TECHNOLOGY
FASTER DRYING · BOLDER BLACKS · VIVID COLORS®

FSC®

We're all about innovation and sustainable forestry. That's why every sheet of HP Paper is manufactured with ColorLok® Technology and FSC certified fibers. Because you want to leave an enduring impression on the reader and the planet.

Optimized for all home and office printers.
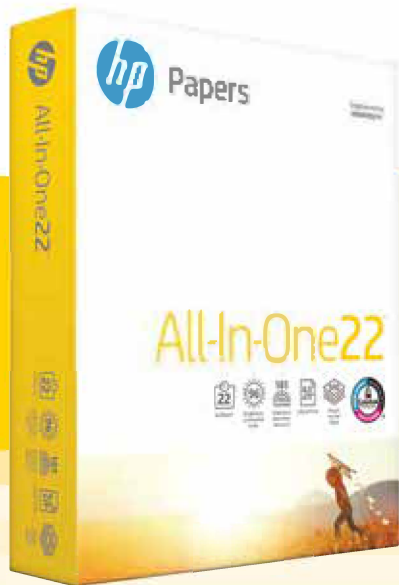

Acid free to prevent yellowing over time.

Don't just print **Be** remarkable

Every time you press "print," you are putting a piece of yourself on paper. So look your best. For professional-quality documents that look straight from the print shop, upgrade to HP Premium32, Premium28, Premium24 and BrightWhite24 papers. HP's premium line speaks volumes about the quality of your work before the first word is read.

HP All-In-One22™

22 lb.83g/m²   **96** Brightness   **161** Whiteness

**Who says you can't have it all? Even your everyday printing will look professional.**
- Engineered for forms, contracts, manuals, invoices, and correspondence
- Heavier weight than standard multipurpose paper, along with exceptional brightness make this paper perfect for black-and-white, color, and double-sided printing

Product Code	Sheet Size	Sheets/Ream	Reams/Carton
207000	8.5"x11"	500	5
207010	8.5"x11"	500	10
208850	8.5"x11"	750	6

Don't just print **Be compassionate**

HP Papers takes our role within our communities as seriously as you do, which is why we're donating $50,000 to help support breast cancer research and awareness. **We call that putting our money where our heart is.**

HP MultiPurpose20™

20 lb.75g/m²   **96** Brightness   **161** Whiteness

Good balance, great performance, and guaranteed reliability. What's not to love?
- Engineered for forms, contracts, manuals, invoices, and correspondence
- Standard weight with exceptional brightness makes this paper perfect for black-and-white, color, and double-sided printing

• Contains 30% post-consumer fiber to meet U.S. government standards

Product Code	Sheet Size	Sheets/Ream	Reams/Carton
112100	8.5"x11"	500	10

ColorLok TECHNOLOGY — FASTER DRYING · BOLDER BLACKS · VIVID COLORS ®

FSC®

We're all about innovation and sustainable forestry. That's why every sheet of HP Paper is manufactured with ColorLok® Technology and FSC certified fibers. Because you want to leave an enduring impression on the reader and the planet.

Optimized for all home and office printers.

Acid free to prevent yellowing over time.

Don't just print **Be efficient**

You know that "everyday" doesn't mean "average". That's why all of our everyday papers are formulated to produce crisp text, and efficient, hassle-free printing.

BE BOLD

HP and IP collaborated to develop ColorLok® Technology in order to provide you with the highest resolution paper possible. By reimagining the way inks are absorbed, our scientists and engineers reinvented what you can expect from paper: noticeably richer and more vivid colors, deeper and bolder blacks, crisper text, and all with a quick-drying, smudge-free formulation. After all, you put a lot of thought into what you print. That's why we put so much thought into the paper you print on.

HP Papers   HP Inks/Toners   HP Printers

BE COHESIVE

You buy HP products because you expect the best. To ensure the best looking print results and flawless performance , fill your tray with HP Papers. We engineer our papers, printers, inks and toners to perform perfectly together, and we guarantee it.

BE GENEROUS

We're a company made up of mothers and fathers, sisters and brothers, wives and husbands, grandparents — not to mention patients, survivors, donors, and volunteers. HP Papers has donated over $1,000,000 to life-changing organizations that work tirelessly to improve the lives of those in need. HP Papers is proud to support the vibrant people who bring a personal touch to everything they do.

Proud supporter of

BE IMPACTFUL

HP Papers is committed to leaving the planet better than we found it. This is why 100% of HP Papers are certified by the Forest Stewardship Council as responsibly grown and harvested. We've achieved our goal of 0% deforestation in North America. And we're leading the way toward a sustainable future that we can proudly hand to the next generation.
