Xerox Supplies Product Portfolio

Quality, Reliability, Variety and Performance –

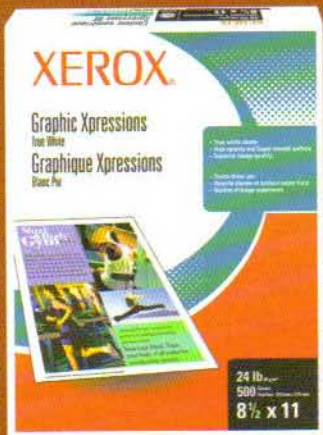

In the world of digital printing, Xerox Supplies is committed to bringing you the widest portfolio of **Digitally Optimized Paper and Specialty Media** to improve your document quality, your output and *your bottom line.*

All Xerox papers are tested and qualified by Xerox laboratories to guarantee consistent quality

Xerox supplies are engineered to bring out the best in digital printing. Whether you need to create a high-end customer brochure, a captivating proposal or presentation, an eye-catching business card, poster, pamphlet or window decal, you get results with Xerox Digitally Optimized Paper and Specialty Media. All of our products have been designed, extensively tested and qualified by Xerox engineers to ensure optimum performance and outstanding productivity.

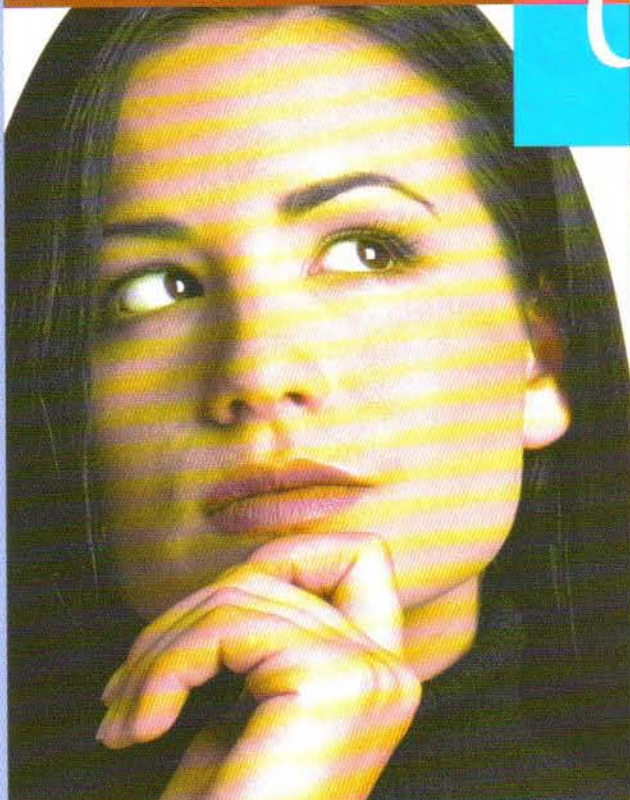

There's never been a better time to take advantage of the explosive growth of digital print. No matter what kind of business you are in, we have innovative, **money-making or money-saving solutions that get results:**

- **Shorter run lengths**
- **Faster turnaround times**
- **Personalized content**
- **Performance Guaranteed**

Digital Color Elite Gloss

Brightness

With our specially formulated coating on both sides of the sheet and increased brightness, you'll be able to create high-end glossy duplex applications. Our digitally optimized paper delivers best-in-class toner adhesion, superior image quality and reliability. The Digital Color Elite Gloss Family now includes 110 lb Cover, the heaviest digital coated cover available in the market.

Weight	8.5x11	Sht/Ctn	17x11*	Sht/Ctn	18x12*	Sht/Ctn

Don't Miss Parents' Weekend!
 Dear Mr. & Mrs. Bessner,
 This November you are cordially invited to celebrate the Mercedite Lifestyle - The strong Mercedite Spirit and special education experience (each where you wish), and other exciting educational experiences (see professor Judgments book for details).
 Yes, it's Parents' Weekend, the week for you (as well as Meredith University) without being a student. Here's your chance to meet Allison's friends and faculty. See where it's all going and make. Learn first-hand where all the activity is going.
 Sincerely,
 The Parents' Weekend Student Organizers

If you have any questions regarding this statement, please call us at 800-540-7788 and ask for Linda Anderson, your Meredith Account Representative.

Business 4200 Perforated Paper

Brightness

Match your requirements perfectly with a wide selection of Xerox vertical or horizontal perforated papers. Fifty-two vacuumed and pressed micro perforated lines per inch generate a smooth, clean edge, ensuring compatibility with printers and copiers.

Business 4200 Punched Paper

Brightness

Xerox offers punched paper to fit all popular binder styles including GBC (19 HD), VeloBind (11 HD) and Spiral (44 HD). Our quality-controlled punch eliminates paper deformation around the holes and loose punches in the ream, keeping the pages flowing smoothly. Specifically designed to increase machine uptime and productivity.

Business 4200 Security/Checkstock

The most important characteristics of checks are legibility, durability and ability to pass through a printer without jamming. That's why Xerox has developed a wide variety of papers for checks to conform precisely to equipment specifications for maximum performance. Each check contains 5 security features for your customer's protection.

Xerox Transparencies

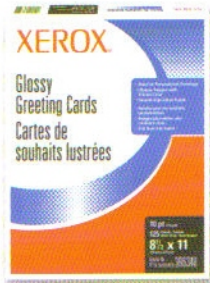

Thanks to the special care we take when we develop our transparencies, you receive the clearest possible images, bright color from your printer or copier. A special coating optimizes color reproduction, minimizes static, and ensures maximum toner adhesion and heat stabilization to reduce jamming and buckling.

Xerox white envelopes are not recommended for imaging in xerographic color equipment.

Digital Color Premium Business Cards

Traditionally, the best business cards were produced on an offset press. Our duplex-printable business card sheet provides a great digital alternative with high-quality heavyweight stock and crisp-die cut. Now you can go beyond the traditional business card use with a variety of creative uses – membership, loyalty and warranty cards, student IDs, appointment reminders, passes – the opportunities are endless.

11 x 17	3R12397	50

Digital Metallic Cover

For those very special projects such as employee awards, customized wine labels, personalized covers or unique invitations, our heavyweight Metallic Cover is a wonderful, eye-catching option. Use silver letter-sized paper for a rich, truly special look that stands out in the crowd.

Size	Color	Order #	Sht/Box
8.5 x 11 8 pt	Silver	3R12311	250

Digital Color Window Decal

Here's a creative way to communicate "instant" messages. Low tack cling window decals are engineered to accept brightly colored graphics and sharp text for color copiers or laser printers. Because these decals don't use a permanent adhesive, they can be repositioned easily without losing their cling.

Size	Color	Order #	Sht/Ctn
8.5 x 11	Clear	3R6339	50
8.5 x 11	Opaque	3R12059	50
11 x 17	Opaque	3R12315	50

Your folders should maintain the same level of professionalism as the document you place inside of them. Create an impression by digitally printing vibrant color graphics and sharp, crisp text on our heavyweight white coated or uncoated folders. They can be easily tailored to hold presentations, sales collaterals, real estate materials, or seminar agenda information. Easy to assemble, they come with pre-cut slits on the inside pocket to securely hold business cards.

Xerox Compatible Laser Printer Toner Cartridges

The same great Xerox quality that you have come to expect is available in compatible print toner cartridges for your HP printers. You can achieve up to a 10% higher print yield than those of the original equipment manufacturer (OEM). Our cartridges meet stringent Xerox quality standards and feature a 1-year warranty from the date of purchase.

SAVE
up to **30%**
on your
printing costs!

For HP LaserJet

XEROX®

Technology | Document Management | Consulting Services

it's compatible™

Did you know you have a choice?

Choose Xerox for performance, quality, and cost.

Xerox offers a broad line of Compatible Toner Cartridges for your HP LaserJet Printers.

Xerox 100% Risk Free Guarantee*

* If a Xerox compatible cartridge does not provide the stated quality and print yield Xerox will replace the cartridge or refund the customer's purchase price within one year of purchase. If a Xerox cartridge causes damage to a printer that can be traced back to the fault of the Xerox cartridge, Xerox will reimburse the customer for all service costs incurred to repair the printer.
