A brand name YOU can trust

The Xerox expertise

Xerox invented toner more than 60 years ago, and we've been number one since we were the only one. Today we manufacture more toner and cartridges than anyone. In fact, Hewlett-Packard doesn't even make any toner at all. Their toner cartridges are produced by a third-party original equipment manufacturer (OEM).

As a result, the overall quality of Xerox products is as good as or better than OEM cartridges, so your documents look crisp and clean page after page. We use our experience and expertise in Xerography and cartridge design to deliver consistent high quality performance.

"As good if not better than the HPs and other brands. I think with Xerox, you are ahead of the game."

Tommy Haynes
Purchasing Manager, Telerep Incorporated

"The Xerox cartridges are much better than the ones we had before, and they work a lot longer."

Carma Oaksmith
Executive Assistant, Chicago Title Insurance

"Xerox has provided my company with high quality toner with prices that have saved the company thousands of dollars."

Matthew Williams
Inventory Controller, Sun Healthcare Group

"...the quality of the Xerox laser printer toner cartridge is superb."

Joseph Lopresti
Vice President, Corporate Copy International

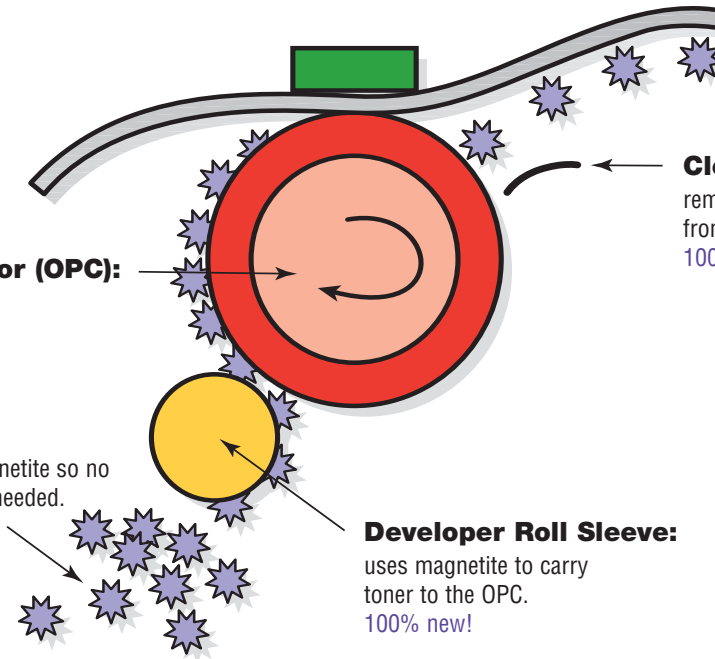

Xerox, made for top performance

Organic Photoreceptor (OPC):
carries image.

Toner:
contains magnetite so no developer is needed.
100% new!

Developer Roll Sleeve:
uses magnetite to carry toner to the OPC.
100% new!

Cleaning Blade:
removes residual toner from the drum.
100% new!

It's what's inside

The quality of our cartridges is just what you would expect from the leader in toner and document technology. Enjoy crisp, clean text, longer cartridge life and quality that meets or exceeds other manufacturer's standards.

Printer cartridges contain numerous critical components in addition to toner. This includes the photoreceptor, developer roll sleeve, cleaning blade, and more. They interact with one another to produce quality print and expected page yield. All Xerox cartridges feature Xerox specified and approved toner, as well as new photoreceptors, and quality inspected and certified developer sleeves, and cleaning blades.

We manufacture and rigorously test our cartridges to deliver the quality and value you expect from Xerox.

Put the Xerox Quality in your printer

You get the Xerox Advantage every time you purchase a Xerox compatible toner cartridge.

So what is the Xerox Advantage?

It's a high performance product-backed by the Xerox 100 Percent Performance Guarantee. It delivers top-quality printing. And it does all that at significant cost savings each and every time you print. And those savings add up when you multiply them by the number of printers and cartridges you consume in a year.

The Xerox Advantage Delivers

Cost Savings
Up to 30% lower than the OEM

Technical Support
Dedicated toll-free "hot line" for technical assistance

Brand Recognition
The Xerox brand is the quality alternative to the OEM

Customer Safety
100% risk free guarantee

Broad Portfolio
The largest line of brand name compatibles

Quality
Equal to or exceeding the OEM's cartridge

it's compatible[®]

The Xerox Advantage

100% Risk Free Guarantee

If a Xerox compatible cartridge does not provide the stated quality and print yield **Xerox will replace the cartridge or refund the customer's purchase price** within one year of purchase.

If a Xerox cartridge causes damage to a printer that can be traced back to the fault of the Xerox cartridge, Xerox will reimburse the customer for all service costs incurred to repair the printer.

No Impact on Your OEM Printer Warranty

The Hewlett-Packard warranty states: "The use of non-HP toner cartridges does not affect either the warranty or any maintenance contract purchased from Hewlett-Packard. However, if an HP LaserJet printer failure or printer damage is found to be directly attributed to the use of any non-HP product, the repair will not be covered under the warranty or HP maintenance contract. In such cases, standard time and materials charges will be applied to repair the printer."

Using Xerox compatible does not void or invalidate your printer warranty.

Technical support

Xerox has an unparalleled reputation for customer service by providing a dedicated, toll-free Xerox Customer Hotline available strictly for our compatibles customers. Just call 1-866-XEROX-4U.

The Xerox Customer Hotline connects you with printer and cartridge experts who can take care of problems on the spot.
